These monthly bilingual Outreach efforts called "A Tu Lado" (At your side) began as a safety awareness campaign for the community, especially the predominant Spanish speaking community in areas citywide. The goal is to provide the community time to talk with Safety services, such as the Office of the Mexican Consulate, the APD Robbery Unit, Austin Fire Department, Austin-Travis County EMS. Information will also be provided about opening an account at any bank or credit union to keep their money safe.

There will be a question and answer session about immigrant community issues. Assistant Chief Al Eells will present certificates of recognition to several community members for their constant presence at these events. Refreshments will be served.

Sponsors for the event are the Austin Police Department Robbery Unit and Univision Television.

Media Advisory: APD Personnel will be available to answer questions during the event.
